Once a teacher has logged in successfully, the page to the right appears.

Two columns of content currently exist on this Teacher Portal - Curriculum Resources and Teacher Tools.

The **Curriculum Resources** represents web links, attachments, and resources immediately accessible by clicking on the items in the list.

The **Teacher Tools** represents applications currently available to teachers. These “tools” are available for immediate use and **do not** require a separate username and password.

The Teacher Portal has been developed so that a “single sign-on” is all that is necessary to access curriculum resources and teacher tools. These two columns will continue to expand and grow, giving teachers access to all of the available resources provided by Broward County Schools.

**NEWS!!!**  
**BAT -Benchmark Assessment Test - Mini Assessments Now Available!!!!**

Currently, 6 applications exist under the Teacher Tools column.

**Learning Village** - a new application that provides access to Unit Plans, Lesson Plans, Resources and Activities that are standards-based and aligned to Broward County's Curriculum Maps

**Virtual Counselor** - access to current student performance data and the Electronic Academic Improvement Plan (AIP)

**Atomic Learning** - access to online tutorials specific to technology applications and technology integration

**Riverdeep LMS** - access to the Destination Math and Destination Reading series for students K-8

**BlackBoard** - access to the online Blackboard courses offered through Broward County's Virtual University
