**Question and Answer**

Parents were concerned about the confidentiality of the Parent Surveys, which ask for their children ID. Parents do not feel they can be completely honest on the survey since that information is required to log in.

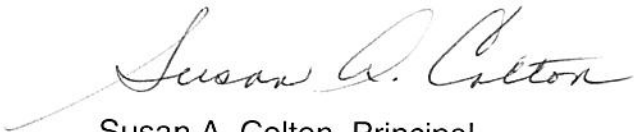

Suggestions were made to set up computer stations so that parents who do not have access to computers can fill out the surveys at the school.

A motion was made to adjourn the meeting and it was seconded. The Meeting adjourned at 6:45pm.

Respectfully Submitted,

Lakay Wilkerson, SAC Chairperson

Susan A. Colton, Principal
